Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 6-8 are rejected under 35 U.S.C. 102(b) as being anticipated by Bell (6,061,532).

As to claim 6, Bell teaches a computer (Fig.2 and 3a) comprising:

Means for allowing the user to select story (100)

Means for receiving image (102);

Means for creating a digital image file embodying/incorporating or merging the image of the user (Col.6, lines 20-22)

Means for accessing a corresponding audio file (112) ;

Presenting the animation to the user (Fig.3b, 126).

As to claims 7 and 8, Bell teaches where the image receiving means includes a camera and a scanner (2).

Response to Arguments

Applicant's arguments/remarks with respect to the claims have been considered but are moot in view of the new ground(s) of rejection.

The previous rejection has been withdrawn in light of the amended claims introducing new limitation, especially, the step of creating a frame embodying the image of the user.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

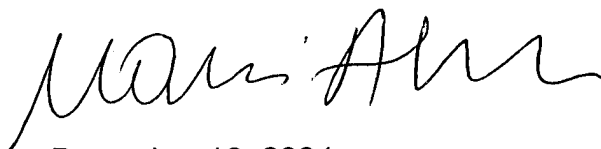

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
